

OSHODI TOYOSI OLUWASEUN (F)

Contact: Ipaja, Lagos State | Email: oluwatoyorc@yahoo.com | Phone: 08080504916

OBJECTIVE

I am a graduate of computer science with extensive academic foundation and skills in computer science. Basic knowledge of Geoinformatics concepts and GIS software. Eager to apply skills and contribute to innovative projects and gain practical experience in the field.

EDUCATIONAL INSTITUTIONS ATTENDED WITH DATES

2011-2015 Oduduwa University, Ipetumodu, Ile-Ife, Osun State

2019-2020 University of Lagos, Lagos State

SUMMARY OF ACADEMIC QUALIFICATIONS

2015 B.Sc in Computer Science

2022 Masters of Geoinformatics Information Technology MGIT

RELEVANT COURSEWORK

Master Degree: Geospatial Data Analysis, Remote Sensing, Digitization

Bachelor Degree: Algorithms, Data Structures, Database Management Systems

ACADEMIC PROJECTS

- Performance evaluation of implementation language on the software complexity of insertion sort algorithm (2015, Bachelor degree project)
- 3D city model (2022)
- Map digitization (2021)
- Detection change of satellite imagery (2021)
- Geospatial analysis of groundwater potential zone (2023, Master degree project)
- Change detection map of (i) laspotech (2021) and (ii) alimosho/ado-ota lga (2022)
- Prediction of liver disease (biliary cirrhosis) using data mining techniques and geospatial analysis (2021)
- Application of GIS in road transportation management system (2021)

CAPABILITIES

- Sharp and smart looking with excellent written and verbal communication skills
- Possesses fast learning ability, good propriety and a highly creative mind
- Working with a variety of teams and on my own initiative
- Focused and paying attention to details
- Language: Fluent in English and Yoruba

TECHNICAL SKILLS

- Excellent use of Microsoft Office (Ms-Word and Powerpoint)
- Geospatial Tools: ArcGIS, QGIS, Erdas Imagery, Google Earth Engine (intermediary)
- Proficient in Database Management using MySQL server
- Operating Systems: Windows
- Entry-level web-developer: HTML, CSS
- Entry-level programming language: Python, Javascript

WORK HISTORY

Lagos State Government (Office of Deputy Governor),
The Secretariat, Alausa, Ikeja, Lagos State, Nigeria.
August 2014 to October 2014 (Industrial Attachment)

Ase Group of Schools,
Afuze-ema, Edo State
2016-2017 (NYSC)
